**In S.B. Criminal Misc. Petitions No.3817/2024 and
7123/2023:-**

Learned counsel appearing for the petitioner-husband submits that he has received the file recently and he is in the process to file *vakalatnama* on behalf of the petitioner-husband. He seeks some time to argue the case.

Learned counsel appearing for the respondent-wife has serious objection and submits that on putting wrong facts, interim order has been obtained by the petitioner-husband from this Court. He further submits that on 16.07.2024, it was argued on behalf of the petitioner-husband before this Court that decree of

divorce by mutual consent under Section 13B of Hindu Marriage Act has been passed by the learned Family Court, but this fact is totally incorrect as marriage of the parties has not been dissolved by the learned Family Court. He further submits that all these facts were mentioned before the Court only to avoid the payment of maintenance awarded against petitioner-husband by the learned Additional Chief Judicial Magistrate, Bhinmal, District Jalore.

In the interest of justice, matters are adjourned.

List these matters on 06.05.2026.

It is made clear that no further adjournment shall be given in these matters.
