"4. Upon perusal of the record, this Court is of the considered view that right to life and personal liberty is a fundamental right guaranteed to every individual under the Constitution, and the same cannot be compromised under any circumstances. No person can be deprived of his or her life or personal liberty except in accordance with the procedure established by law and apprehension relating to life and personal liberty, if asserted, deserves to be examined by the competent Authority. The assessment of threat perception and the necessity of protection are matters falling within the domain of the police Authorities, who are duty bound to ensure maintenance of law and order and to prevent any person from taking law into his or her own hands."

5. In view of the above position of law, the writ petition is **disposed of** with a direction that the petitioners shall appear before the Superintendent of Police, Bikaner within a period of ten days from today and submit a representation clearly indicating the persons from whom they apprehend threat or harm. If required the Superintendent of Police, Bikaner may communicate and coordinate with the concerned Station House Officer for the

purpose of effective assessment and implementation of appropriate measures.

6. It is clarified that this Court has not recorded any definitive finding with regards to the legitimacy of the relationship claimed by the petitioners/the validity of the alleged live in relationship deed or the genuineness of the documents relied upon by them, and all such aspects shall remain open for enquiry and investigation by the competent Authority, in accordance with law. It is further made clear that any observation made herein shall not affect any civil or criminal proceedings, if any, pending or to be initiated in accordance with law.
