HON'BLE MR. JUSTICE FARJAND ALI

Order

05/05/2026

1. The parameters and grounds to be considered at the time of cancellation of bail already granted is altogether different to the parameters taken into account while granting a bail. It is well nigh settled principle of law that unless appearance of supervening or overwhelming circumstances post granting the bail are brought on record, ordinarily interference should not be made. In a case essentially under Sections 323, 341 and 354 of IPC and some penal provisions of special statute under SC/ST Act, the learned Special Judge granted bail to the respondent vide order dated 26.05.2023. Nothing new has been brought on record showing any circumstance post grant of bail to the respondent. This Court is of the view that the discretion exercised by the learned Special Judge was apt and prudent. No interference is required.

2. Accordingly, the instant appeals are dismissed.
