Learned counsel appearing for the respondent-Municipal Corporation seeks some time to complete his instructions and submit a report with respect to the removal of debris/garbage from the Government land in question.

Although, this Public Interest Litigation is only with respect to the removal of debris/garbage from Anasagar Dam in Lalsagar Forest, the sanitation in the city of Jodhpur is pathetic, therefore, we consider it appropriate to direct the counsel for the Municipal Corporation to file an affidavit to the effect that what is the authorized manpower with the Municipal Corporation to do the job of sanitation and for removal of debris/garbage and how many of them are actually working. He shall also file the action plan for sanitation and removal of debris/garbage from the streets/parks in the city of Jodhpur.

The affidavit shall be filed by the Municipal Commissioner (North), Jodhpur and Municipal Commissioner (South), Jodhpur on the next date of hearing.

List on 16.09.2025.

It is made clear that if proper affidavit giving complete details is not filed before this Court on the next date of hearing fixed then this Court will be constrained to call for the personal appearance of Municipal Commissioner, North and South before this Court.
