**Order**

**13/02/2026**

1. Matter has been listed before this Court in view of the objection raised by the registry qua the deficient Court fee which despite opportunity, has not been made good. On a query, learned counsel for the appellant candidly submits that he had tried to contact the appellant but his attempts have been an exercise in futility. He would also submit that he had also sent a registered post letter which has been delivered back to his office as the appellant refused to accept the delivery of the same.

2. In the premise, he submits that he pleads no instructions.

3. In view of the aforesaid, the appeal is dismissed for non prosecution due to lack of instructions.
