Order

07/08/2023

1. After hearing learned counsel for the parties for some time, we are of the firm opinion that the respondents are required to furnish detailed report/s on the two aspects raised by the petitioners.
2. One is at the level of Chief Engineer, PHED and another is at the level of Jodhpur Development Authority, inasmuch as the PHED is to consider availability of water, the JDA is to account for the money received by them from the Developers of the petitioners-colonies pursuant to the Memorandum of Understanding signed between the parties.

3. Learned Additional Advocate General Mr. Sandeep Shah assures the Court that the aspects at the level of PHED will be re-examined in a comprehensive manner indicating the status pertaining to the petitioners as well as the other colonies, which exist/likely to come up around the petitioners' colonies regarding availability of water and the possibility of making efforts for the possible supply of water to the petitioners colonies from the pipeline, which is going just outside the colonies for supplying water to the neighbouring villages.

4.. The Jodhpur Development Authority is directed to produce comprehensive account/details of the amount deposited by the colonizer between the period from 2007 to 2009 indicating the allocation of the said amount/ where the amount has been spent and any amount which is left with them. It will also be required of the Jodhpur Development Authority indicate that if at all any amount has been utilised for the purpose which shall be deposited with them pursuant to the MoUs.

5. List these petitions on 04.09.2023.
