Learned AAG, Mr. Pankaj Sharma appears for respondents no. 1, 2 and 4 in Civil Writ Petition No. 12774/2021. His name may be shown in the cause list.

In these public interest litigations, two societies of Jodhpur have raised the grievances of non-supply of water by the Public Health Engineering Department. Multiple issues and disputes have arisen, which, in our opinion require a holistic resolution. We have also requested Mr. Manoj Bhandari, learned counsel appearing for JDA to take necessary instructions on certain aspects which came up for discussion today.

In addition we may request the presence of Secretary, Jodhpur Development Authority and Additional Chief Engineer, Public Health Engineering Department on the next date of hearing. We expect that some progress could be made in consultation with these responsible officers.

List these matters on 25th November, 2021.
