A counter affidavit on behalf of the respondent No. 3, JDA shows that the necessary facility for supply of water so far has not come up and according to the JDA, this is because of non cooperation on the part of PHED Department, as number of letters have been written, but no response has yet been received.

Learned Additional Advocate General appearing in the case is granted two weeks' time to file reply.

On the next date of hearing, the State as well as JDA shall make a joint statement giving clear road map of the time period within which the facility would be developed considering that the colony is inhabited by large number of persons.
