Learned counsel, Ms. Sakshi Popli, appearing on behalf of the petitioner submits that the petitioner is a registered company and has been executing the contract in question for the last four years approximately. It is submitted that the said contract executed *inter se* the parties pertains to the collection, transportation and processing of waste from commercial establishments, operation of the MRF Centre, and disposal of recyclables, RDF and inert waste.

Learned counsel for the petitioner next submits that the petitioner has satisfactorily performed the contract throughout its tenure, however, rule of the game and the terms and conditions governing the collection of user charges were modified by the respondents during the contract period vide communication dated 16.09.2025 (Annexure-4), whereby the petitioner was directed not to collect the levy/user charges directly but to deposit the same in the manner prescribed by the respondents.

It is next submitted that the petitioner duly complied with the said directions and deposited the amounts in the prescribed manner, however, despite such compliance, the respondents have failed to released the contractual payments due and payable to the petitioner from the period of September, 2025 onwards. It is further submitted that the existing contract *inter se* the parties is valid up to August, 2026, nevertheless, the respondents have already issued a fresh Notice Inviting Tender (NIT), despite the subsistence of the petitioner's contract and without providing any justifiable reason in this regard.
