Order

22/06/2026

The present interim bail application under Section 483 of the BNSS has been filed by the petitioner. Learned counsel for the petitioner has prayed for grant of interim bail to enable him to take his wife, who is about 59 years of age, to a higher medical centre for treatment. It is submitted that the petitioner's wife has suffered an acute intracranial haemorrhage in the left parieto-temporal region, as reflected in the MRI of the brain dated

25.11.2025. It is further submitted that, on account of the said ailment, she is suffering from severe neurological complications and requires treatment at a higher medical centre.

Learned Public Prosecutor has produced the report, according to which a Medical Board comprising three doctors was constituted at Government Medical College, Chittorgarh. The Board examined the wife of the petitioner and recorded that the patient is mute and is also suffering from slurring of speech. Apart from this, she is complaining of altered behaviour and memory loss. The Board has also taken into consideration the MRI report dated 03.11.2025 and has opined that she requires continued medical care. Accordingly, she has been referred to a higher medical centre for consultation with a Neurologist and a Psychiatrist at the earliest.

In view of the medical documents placed on record as well as the report of the Medical Board, this Court finds that the wife of the petitioner requires urgent treatment at a higher medical centre, and even the Medical Board has referred her case to such higher centre. It is further submitted that both the petitioner and his son are presently lodged in judicial custody. There is no other person available to look after the petitioner's wife except the petitioner's aged father and mother, who are themselves unable to take proper care of her due to their advanced age.

Looking to the facts and circumstances of the case, this Court deems it just and proper to grant interim bail to the accused-petitioner for a period of 30 days so as to enable them to

take the petitioner's wife to a higher medical centre and ensure that she receives proper treatment.

Accordingly, the interim bail application filed under Section 483 of the BNSS is allowed. It is directed that the petitioner, namely, **Nanu Ram Jat S/o Bhagwan Lal Jat, aged about 64 years**, arrested in connection with F.I.R. No. 160/2026 registered at Police Station Kapasan, District Chittorgarh, for the offences under Sections 8/15 and 8/18 of the NDPS Act and Section 3/25 of the Arms Act, shall be released on interim bail for a period of **30 days**, provided he furnishes a personal bond in the sum of **Rs.1,00,000/-** along with **two sound and solvent sureties** in the sum of **Rs.50,000/- each** (out of which one surety shall be a close relative of the petitioner), to the satisfaction of the learned trial Court, for their surrender upon completion of **30 days** from the date of their actual release.

(i). the petitioner shall surrender before the concerned jail authorities immediately upon expiry of the interim bail period of 30 days, unless the period is extended by a competent court;

(ii). the petitioner shall neither tamper with the evidence in the matter, nor directly or indirectly make any inducement, threat or promise to any acquainted with the facts of the case so as to dissuade them from

disclosing such facts to the Court or any Police Officer;

(iii). the petitioner shall not leave the State of Rajasthan without prior permission of the Court concerned;

(iv). the petitioner and the sureties of the petitioner will keep their mobile phones in active mode and in case of change of their mobile numbers, intimation in this regard will be given to the Court concerned by way of an affidavit.

Let this bail application be again listed on 22.07.2026. Learned Public Prosecutor shall be required to submit the compliance report of the order as to whether the petitioner has surrendered or not.
