Order

23/06/2026

It is submitted that the building in question was constructed by the petitioner in the year 2012 and is now sought to be demolished pursuant to notice dated 08.06.2026.

It is further stated that, with respect to the same dispute, a Civil First Appeal is already pending before the competent court and an interim order of status quo is operating therein. Despite the pendency of the appeal and the subsistence of the interim order, the respondents have issued the impugned notice in relation to the same cause of action.

In view of the aforesaid facts, this Court is inclined to interfere. The building of the petitioner has been standing constructed since the year 2012 and the Civil First Appeal concerning the subject matter is pending consideration.

List this matter on 06.07.2026.

Till the next date of hearing, the respondents shall not take any coercive action against the petitioners and shall further refrain from undertaking any demolition activity in respect of the building in question.
