Order

21/07/2026

The present criminal miscellaneous application for temporary bail has been filed on the ground that the father of the petitioner is unwell.

Learned Public Prosecutor has submitted a report dated 30.06.2026, which is taken on record. The documents annexed with the report reveal that the father of the petitioner is undergoing treatment for certain minor ailments. However, it is evident that he had taken voluntary discharge from the hospital on request and was subsequently found at his residence.

This Court finds that there is no serious ailment or exceptional circumstance requiring the presence of the petitioner. Routine medical treatment and care can certainly be undertaken by the family members, and temporary bail cannot be granted on every such occasion.

Accordingly, the present application for temporary bail is dismissed.
