Order

17/12/2021

We are informed that the Skill Development Center, which has been developed at Jodhpur, is to be inaugurated shortly hereinafter, but till date RSLDC has not designed any proper courses which are to be offered to the children who are housed in the Child Care Institutions across the State of Rajasthan.

Shir Pankaj Sharma, learned AAG, points out that there are significant issues in the proposals of the RSLDC inasmuch as insistence is being made for providing the Aadhar Card of the children and that the courses, which have been offered are of long duration and it is totally impractical to enroll the children, who come to the institutions for such long term courses. He further points out that a meeting is scheduled on 21.12.2021 to deliberate upon the issues.

We, therefore, request Mr. Pankaj Sharma, learned AAG, to instruct either of the two IAS Officers, namely Smt. Nalini Kathotia, MD, RSLDC and Mr. Bhanu Prakash Yeturu, Chairman, RSLDC, to participate in the meeting, which is scheduled to be convened on 21.12.2021 for working out the modalities to offer skill development courses to the children who come in contact with the Juvenile Justice System. After the meeting is convened, a factual report shall be submitted for the court's perusal on the next date of hearing.

Mr. Anil Kumar Gaur, learned AAG, has placed on record a copy of the communication, as per which, all the Child Care Institutions have been covered under the Mukhyamantri Kaushal

Vikas Yojna Grade-III (SAMARTH). We request Mr. Gaur to instruct the concerned officials to ensure that the children, who are staying in these homes for a significant periodS of time and do not have registration under the Aadhar scheme are provided the requisite registration.

List for receiving further progress report on 21.01.2022.
