Order

21/01/2022

Learned AAGs have placed on record the progress report/documents which indicate that pursuant to the meeting dated 21.12.2021 held under the aegis of Hon'ble the Juvenile Justice Committee, Rajasthan High Court, the proposal to declare the Skill Development Center, Nari Niketan, Jodhpur as a fit facility, has been accepted by the concerned authorities and the consequential order shall be passed shortly hereinafter. The courses to be imparted have been identified. The Rajasthan State Skill Development Corporation has been assigned the job of operating the skill development center. The shortcomings in the Skill Development Center are being removed. The process of issuing Aadhar Cards to the children in need of care and protection who are lodged in various observation homes across the State, has also been started. The progress report/documents are taken on record and the copies thereof shall be provided to Shri Anirudh Purohit, learned Amicus Curiae and Shri Govind Beniwal.

Learned AAGs shall ensure that the courses which have been specifically designed by the Rajasthan Ayurved University, Karvad, Jodhpur are also added in the module which is being chalked out for imparting training to the children shortlisted for this purpose.

It may be stated that 4 halls/dormitories are being developed in the Center for lodging the children who shall be

brought to the institution for the training courses. As the institution is proposed to be declared a fit facility, there would be no difficulty in transferring the children into the Center so that they can undergo the training courses and acquire the vocational skills.

List on 23.02.2022.
