Learned *Amicus Curiae* Shri Anirudh Purohit submitted that though the Skill Development Center at Rajasthan has been constructed but till date, Standard Operating Protocol has not been finalised and thus, the children in need of care and protection are not able to take full advantage of the otherwise wonderful facility.

Dr. Samit Sharma, Secretary, SJED, Govt. of Rajasthan and Smt. Anuprena Kuntal, Commissioner, Rajasthan State Skill Development Corporation submitted that an additional budget nearly Rs.65,00,000/- has been sanctioned for completing construction of first floor of the Skill Development Center. The concerned authorities have already been instructed to issue the tenders and get the work executed at the earliest. Dr. Samit Sharma assured that appropriate measures shall be taken for continue supervision of the project so that no shortcomings remain therein. This Court was further assured that a proper SOP/Module will be developed and training courses shall be provided to the children in need of care and protection at the institution round the year. It was further submitted that as the Skill Development Center has already been declared to be a fit facility, now there is no impediment in shifting children in need of care and protection from other homes to this fit facility for the purpose of making them undergo the training courses as and when required.

Dr. Samit Sharma further submitted that the Chairperson/Members of CWC, Pali and CWC, Jhalawar, who were

found indulged in corrupt practices, have already been removed and process has been initiated for fresh appointments and is likely to be completed shortly hereinafter.

Shri Pankaj Sharma, learned AAG submitted that 31 vacant posts of ANMs in 25 Observation Homes of Rajasthan have been filled. In 12 out of 16 Government Observation Homes, the posts of Para Medical Staff (on visiting basis) have been filled and in the remaining 4, the process is underway.

We therefore direct that the Standard Operating Procedure for smooth functioning and optimum usage of the Skill Development Center shall be finalised at the earliest and the same be placed on record for the Court's perusal/approval by the next date of hearing. The officers concerned shall ensure that the remaining construction on first floor of the Skill Development Center, Jodhpur is completed at the earliest with proper supervision.
