Order

24/07/2026

Learned counsel for the petitioner submits that the allegations in the present case have been exaggerated. He further contends that the complainant is also required to be interrogated during the course of investigation and apprehends that no such interrogation is being undertaken.

The Commissioner of Police is present in the Court has apprised the Court of the progress made in the investigation.

Having heard the submissions, this Court is satisfied that the investigation is progressing. This Court does not consider it appropriate to record the details of the investigation in the present order. As regards the apprehension expressed by learned counsel for the petitioner, it is needless to observe that interrogation of all relevant persons forms an integral part of a fair and proper investigation.

The AAG has also assured this Court that all necessary steps required for a fair and effective investigation shall be undertaken.

Learned counsel for the petitioner has prayed for interim protection. However, having considered the allegations contained in the FIR, this Court is not inclined to grant any interim protection to the petitioner at this stage.

List the matter on 10.08.2026.
