Order

20/12/2022

The respondents have filed a detailed affidavit portraying therein that more than 300 encroachments identified by the local authorities were removed. The petitioner has disputed the claim of the respondents alleging that the entire portrayal of removal of encroachments as set out in the affidavit is make-believe and the encroachments continue to exist even today.

In view of the aforesaid submission, the District Collector, Churu is directed to get a fresh survey conducted of the Sardar Sahar Town and submit his report for this Court's perusal on the next date of hearing. In this report, the assertion made in the affidavit filed on behalf of the Municipal Authority that encroachments have already been removed shall also be accounted for.

A copy of this order be forthwith sent to the District Collector, Churu.

Re-notify on 09.03.2023.
