**HON'BLE DR. JUSTICE NUPUR BHATI**  
**Order**

**03/07/2026**

1. Learned counsel for the petitioner submits that the  
petitioner's candidature was declared disqualified vide order dated  
16.06.2026 (Annex.1), on the ground that the NTC (COPA)  
(Computer Operator and Programming Assistant) certificate  
produced by the petitioner is not equivalent to "Basic Computer at  
12th/Diploma Level and Above" as required under the Recruitment  
Rules.
2. Learned counsel for the petitioner, while drawing attention of  
the Court towards the advertisement dated 05.03.2024 (Annex.2),  
submits that the qualification laid down for the computer

component requires the candidate to have "studied English/Communication Skills and Basic Computer at the 12th/Diploma level and above".

3. Counsel further submits that even the Rajasthan Technical Training Subordinate Service Rules, 1975, similarly indicate that for appointment to the post of Junior Instructor, one of the academic qualifications is that the candidate "must have studied English / Communication skills and Basic Computer at 12th and Diploma level".

4. Counsel thus contends that the qualification acquired by the petitioner i.e. COPA from the Government of Rajasthan, Technical Education Department, is a higher qualification than basic computer knowledge, and therefore, the petitioner's candidature has been wrongly rejected.

5. The matter requires consideration.

6. Issue notice to the respondents, returnable within four weeks. Issue notice of the stay application as well.

7. In the meanwhile, the respondents are directed to keep one post of Junior Instructor (Employability Skills) as vacant for the petitioner in the category he has applied.
