**HON'BLE MR. JUSTICE MUKESH RAJPUROHIT**

**Order**

**06/07/2026**

It is contended by learned counsel for the petitioner that this is the second round of litigation, earlier the Coordinate Bench of this Court in S.B. Civil Writ Petition No.21036/2025, passed certain directions vide order dated 27.05.2026, the relevant extract is reproduced as under:

".....

16. Accordingly, writ petition deserves acceptance and is hereby allowed.

17. Respondent-authorities are directed to modify the seat matrix of petitioner-Institute. In case, respondent – State DET is otherwise satisfied regarding removal of deficiency, respondent – State DET is directed to forthwith regularize the admissions already granted by petitioner-Institute against the additional 20 seats.

18. It shall be open to respondent-State DET to undertake fresh inspection/verification of petitioner-Institute and, in case the deficiency relating to electricity load is found to have been removed, for which sanction has already been issued by Jodhpur Discom vide letter dated 16.10.2025, the respondents shall regularize the admissions of aforesaid 20 students, i.e., the students admitted in excess of existing seat matrix of 60 seats, and permit such students to continue and complete their ITI course under the Electrician trade for the Academic Session 2025-26.

19. In any case, entire exercise shall be completed within a period of thirty days from the date of passing of instant order."

Learned counsel submits that the respondents have neither complied with the order passed by the Coordinate Bench of this Court nor they have permitted the 20 students of petitioner-Institute to fill up the form for the admission in the ITI course under Electrician Trade.

He further submits that the practical examinations of ITI are scheduled to be held from today i.e. 06.07.2026 and in absence of access to the portal, the students of the petitioner-Institute are unable to appear in the examination.

Learned counsel for the respondents seeks one more opportunity to file reply.

Time prayed for is granted.

List this matter after three weeks.

In the meanwhile, the respondents are directed to allow the 20 students of the petitioner-Institute to submit their application

form and allow them to appear in scheduled practical examination of 1st year of two year ITI course under the Electrician Trade.

(MUKESH RAJPUROHIT),J
