The petitioner has filed an additional affidavit disclosing his antecedents regarding the nature of social work he is doing.

The petitioner has preferred this petition in public interest complaining that certain public utility land which was earmarked for the establishment of a bus stand is being surreptitiously leased out to private persons for the purposes of constructing residences. The change of land use and leasing of the said land for residential purposes is totally illegal. A joint enquiry report in this regard was submitted by the District Collector, Hanumangarh before this Court in an earlier petition and the said report dated 04.08.2022 clearly indicates that the land is being unlawfully utilized for residential purposes.

Issue notice to the respondents by registered post, returnable within six weeks.

The respondents are directed to file their response to the writ petition immediately on appearance.
