HON'BLE MR. JUSTICE ARUN BHANSALI

Order

24/05/2022

Heard learned counsel for the parties.

The petitioners have questioned the action of the respondents in selecting for appointment certain category of candidates pursuant to the Advertisement dated 17.06.2021 (Annex.1).

The challenge in the petitions pertains to the candidates, who have obtained Diploma from Mahatma Gandhi University, Meghalaya, award of bonus marks to the candidates, who were working as Pharmacists under the NPCDCS Ayush Project, those working as 'उकेकाकर्मी' and despite the fact that the candidates are not registered with the Rajasthan Ayurved Nursing Council.

Learned Additional Advocate General has made submissions that insofar as the candidates, who have done their Diploma from

Mahatma Gandhi University, Meghalaya, though their names have been included for appointment, but those candidates would be granted appointment only after due enquiry is conducted by the respondents about the genuineness of their having undertaken the Diploma at the University.

Qua the award of bonus marks to the candidates, who are working as Pharmacists with NPCDCS Ayush Project, submissions were made that the respondents have taken decision vide Annex.13 dated 15.11.2021 to award bonus marks, based on the approval from the competent authority.

Under the directions of the Court, the approval has been produced for perusal of the Court by way of note-sheet.

The note-sheet produced, *prima-facie* indicates that the competent authority has simply referred to the fact that those who are working under the NPCDCS Ayush Project, they're entitled for bonus marks without adverting to the fact that said candidates were working as Pharmacists and the experience required under the advertisement for award of bonus marks is for performance of the duty on similar post and the post in question is Nurse/Compounder Junior Grade.

Learned Additional Advocate General prays for further time to complete his instructions in this regard.

Insofar as the award of bonus marks to those who have been indicated as 'ढेकाकमी' are concerned, learned counsel appearing for the University made submissions that the same essentially indicates those who are on contractual engagement and that the bonus marks have been awarded only to those, who were performing the duties on similar posts.

Submissions have also been made that in some other writ petitions, specific challenge has been laid qua certain candidates alleging that on account of duty being performed by them, they were not entitled to award of bonus marks, qua which the respondents are appropriately responding.

Learned Additional Advocate General on the aspect of the necessity of having registration with the Rajasthan Ayurved Nursing Council made submissions that the respondents are insisting for registration with the Council and only those who have their registration with the Rajasthan Ayurved Nursing Council, would be accorded appointment.

In view of submissions made, learned Additional Advocate General, on the aspect of award of bonus marks to the Pharmacists may file his response by the next date.

In the meanwhile, the respondents shall not accord appointment to the Pharmacists working under the NPCDCS Ayush Project, based on bonus marks awarded to them.

List the petitions on 07.07.2022.
