Order

07/08/2026

The Office objection is that the appeal is time barred by one day which is not sustainable for the reason that while calculating the limitation, either the date of judgment or the date of presentation of the appeal shall be excluded and the time taken for obtaining certified copy is also required to be excluded which is not done here, therefore, the objection raised by the Office is over-ruled.

Registrar shall verify the desirability of the scrutiny officer to be posted in the scrutiny section as the basic things are not followed by him and take necessary action.

List the matter for admission on **14.08.2026**.
