**HON'BLE THE CHIEF JUSTICE AUGUSTINE GEORGE MASIH**  
**HON'BLE MR. JUSTICE VINIT KUMAR MATHUR**

**Order**

**14/08/2023**

Having considered the submissions made by counsel for the parties as also the petitioner, who appears in person, we are of the considered view that latest status report as it exists at the site needs to be projected in the form of an affidavit. The position with regard to the upgradation of the Railway Station and the stage, at which it is, be also submitted and projected along with the schedule for completion of the entire project be highlighted therein. Special emphasis should be laid upon the operational lifts as well as escalators.

As pointed out by the learned Court Commissioner, possibility of deputing manpower in the lifts as well as the escalators to supervise the function thereof be also worked out and the report

in this regard be submitted. This we state in light of the suggestion put forth by the learned Court Commissioner, who states that the lifts become non-functional because of overloading and the escalators are stopped during the peak hours when panic buttons are put into motion at times intentionally.

The said report/affidavit be filed within a period of three weeks.

Learned counsel for Ultratech Cement to seek instructions with regard to donation of battery operated vehicle(s). Railways may also explore the possibility of fixing some minimal charges for use of the said vehicles giving priority to the old and infirm people including especially abled persons. Possibility be also explored with regard to taking luggage, which personally belongs to the disabled, old and infirm people. The position be suggested on the next date of hearing.

List on 26.09.2023.

**(VINIT KUMAR MATHUR),J      (AUGUSTINE GEORGE MASIH),CJ**
