Judgment Reserved on:- 15/01/2026

Pronounced on :- 23/02/2026

By the Court (Per, Arun Monga, J):-

1. At the time of hearing, learned counsel appearing for both sides agreed that the controversy involved in the instant petition is identical to the one in case titled Rajasthan Technical University vs. Union of India & Ors.; D.B. Civil Writ Petition No. 9556/2024, i.e. whether affiliation fees charged by a university from colleges constitute a "service" liable to tax under the provisions of the CGST Act, 2017.

2. In the judgment of even date rendered in Rajasthan Technical University *ibid*, it has been held that affiliation fee does not amount to consideration for a taxable service and, therefore, is not liable to service tax. For detailed reasons, reference may be made to the judgment dated 23.02.2026 passed in D.B. Civil Writ Petition No. 9556/2024 and the discussion and reasoning recorded therein shall be read as part and parcel hereof and are not being repeated for the sake of brevity.

3. In view of the above, the instant petition is also allowed. It is held that affiliation fee levied by universities from college does not fall within the scope of taxable services, and accordingly, the impugned demands are unsustainable.

4. Pending application(s), if any, shall stand disposed of.
