Order

07/11/2024

It is *inter alia* contended that the petitioner has been transferred as many as four times in a short span of three years, from 2021 to 2024, and his last transfer was vide an order dated 31.07.2023, posting him at Jaswantpura, Jalore. Counsel for petitioner submits that the petitioner's transfer was directed against a vacant post, and once again, vide the impugned order dated 11.10.2024 (Annex.4), he has been transferred to another vacant post at Bagora, District Santhore.

He submits that the petitioner has barely settled at his current place of posting, and his minor children are school-going. Yet, in the midst of the academic session, he has been transferred once again.

Furthermore, he submits that the petitioner's 75-year-old senior citizen widow mother is also suffering from age-related issues, and she necessarily has to endure the hardship of frequent relocations along with petitioner. He further points out that no public interest is being served, as the petitioner is being sent against a vacant post.

Issue notice. Liberty is granted to serve through the nominated counsel of the official respondents.

List on 17.01.2025.

Meanwhile, operation and effect of the impugned order dated 11.10.2024 (Annex.4), qua the petitioner, shall remain stayed till the next date of hearing.
