2. Learned counsel for the petitioners submitted that the petitioners participated in the recruitment process pursuant to the advertisement dated 20.06.2023. Their names were included in the provisional selection list, and they were subsequently called for document verification. After due verification of the documents, posting orders were issued in their favour. However, the petitioners were not permitted to join their respective posts.

3. Learned counsel for the respondents submitted that, although posting orders had indeed been issued, the same were not acted upon as an investigation regarding the petitioners' documents (sports certificates) is pending before the Special Operations Group (SOG).

4. In rebuttal, learned counsel for the petitioners submitted that a Co-ordinate Bench of this Court, vide order dated 04.09.2025 passed in **S.B. CWP No.8784/2025** titled as **"Arvind & Ors. v. State of Rajasthan & Ors.,"** while dealing with a similar controversy, directed the respondent authorities to permit the petitioners therein to join at their respective places of posting.

5. However, liberty was granted to the SOG to conduct an investigation regarding the sports certificates, and in the event the certificates were found to be forged or fabricated, the respondent authorities were permitted to take appropriate action against the petitioners.

6. Having heard learned counsel for the parties and having carefully perused the order dated 04.09.2025 passed by the Co-ordinate Bench in **Arvind & Ors. (supra)**, this Court *prima facie* finds merit in the contention of the petitioners that the controversy involved in the present writ petition is akin to that in the said case.

7. Consequently, the present writ petition is allowed. The respondent authorities are directed to permit the petitioners to join at their respective places of posting as indicated in the orders dated 08.09.2024 and 12.09.2024 (Annexure-4), Annexure-5 as well as other similar orders, forthwith.

8. It is, however, made clear that this order shall not preclude the SOG from conducting an investigation regarding the sports certificates of the petitioners. If the certificates are ultimately found to be forged or fabricated, the respondent authorities shall be at liberty to take appropriate action against the petitioners in accordance with law. The petitioners shall also remain under an obligation to appear before the SOG and cooperate with the ongoing investigation.
