1. This PIL is filed assailing the construction of the proposed bridge on downstream of river at Shri Mahavirji, District Karuali, stating that the bridge has been planned to be constructed on the downstream of the existing bridge, whereas it should be on the upstream of the bridge and the only reason for objecting the construction of the bridge is that there is no reservoir of water. However, after arguing for some time, learned counsel for the petitioners prays for withdrawal of the writ petition.
2. Accordingly, the writ petition is dismissed as withdrawn.
