**Order**

**19/04/2018**

The matter comes up on the report submitted by the OL including the valuation report submitted by the valuer relating to the property. The official liquidator submits that the valuation of the property has not been conducted in accordance with the norms as no documentary proof has been submitted by the valuer relating to the valuation of the property done by him. In the circumstances, it is prayed that the valuation report should not be accepted.

Having noted the submissions and the rates given by the valuer, without relying on any sale deed of equal valuer, this Court is inclined to accept the report of the OL and direct that the concerned valuer shall be deleted from the list of valuers for the purpose of valuation being conducted by the OL. The OL is now directed to get the valuation done from other valuer from the panel, who may submit report within one month.

Order accordingly.

List on 17<sup>th</sup> May, 2018.
