The matter comes up on an application No.1/2026 filed by the petitioner seeking waiver of the sole defect pointed out by the Registry with respect to the Annexure-2 at page number 45 and 46 of the petition, being not legible.

Though, a typed copy of the said Annexure-2 has been filed, however, at several places since the said original document is not readable, the learned counsel for the petitioner seeks liberty to proceed ahead with the matter subject to his own risk and peril.

Taking note of the above, at this stage the sole defect is waived and the matter be kept in the category "for fresh admission" on 27.02.2026.

Accordingly, the application No.1/2026 stands disposed of.
