Order

1. It is noticed that almost everyday, several PILs and other petitions are being filed before this Court wherein netizens and citizens mention the encroachments being made on the public roads. Time and again, on account of intervention of this Court, such encroachments are being removed. However, again they are re-erected and further encroachments take place.
2. The Jaipur Development Authority (JDA) and the Municipal Authorities have separate enforcement wings. However, having noticed that encroachments have been made and they being later on removed, it has to be presumed that such encroachments were allowed on account of inaction on the part of the enforcement wings of the JDA as well as Municipal Authorities.
3. We, therefore, deem it appropriate to call the Chief Enforcement Officer of the JDA as well as Additional Superintendent of Police (Vigilance), who are in-charge of

maintaining the enforcement wings of the respective departments, to inform us as to what disciplinary action was taken against Officers who allowed the encroachments initially and what steps have been taken to make them accountable for the expenses incurred in removing the encroachments.

4. List this case again on 13.10.2025 at 02:00 pm.
5. Meanwhile, reply may be filed by the Municipal Corporation.
