

S.B. Civil Writ Petition No.2065/2017

Date: March 06, 2017.

HON'BLE MR. JUSTICE ALOK SHARMA

Mr. Sanjay Joshi, for the petitioner.

Mr. Inderjeet Singh, AAG for respondents.

Heard counsel for the parties on the stay application.

As an interim measure, it is directed that in the event of payment of fees and penalty as warranted under the policy for Private Colleges 2015-2016, and required under notice to the petitioner-vidhyalya it be issued a temporary NOC for the academic year 2016-17, in view of the fact that about 400 odd students are studying in the petitioner-vidhyalya who are to write the examinations at the end of the session in the academic year 2016-17 commencing 08.03.2017 and if were not so allowed would suffer detriment to their careers for reason not of their making.

Put up on 4.4.2017 along with SBCWP No.2477/2017.

Let reply be filed in the meantime and it be also stated in the reply as to why the state's education policy for private colleges for

2015-16 is being used as if as a source of revenue for the State Government continuously and mechanically allowing institutions/colleges to avail NOC—even temporary without the requisite infrastructure both relating to land and building as also faculty, in which situation it is frighteningly unclear as to the quality of graduates being churned out by such private colleges.
