HON'BLE MR. JUSTICE BIPIN GUPTA

JUDGMENT

Date of conclusion of arguments : **07/05/2026**
Date on which judgment was reserved : **07/05/2026**
Whether the full judgment or only the operative part is pronounced : **Full Judgment**
Date of pronouncement : **21st/05/2026**

(Per Hon'ble the Acting Chief Justice)

1. These D.B. Special Appeals are filed challenging the judgment passed by the learned Single Judge, whereby he allowed a bunch of writ petitions on 22.02.2023 and held as under:-

"54. As a result, the instant writ petitions are hereby allowed. The impugned office order dated 15.12.2021 issued by the RSSB is quashed. Respondent-RSSB is directed to prepare the final result on merit for the post of Motor Vehicle Sub-Inspector, pursuant to advertisement dated 24.11.2021, excluding degree holders in automobile/mechanical engineering and the appointment be given by the State as per merit list in accordance with law.

It is made clear that candidate(s) participated in the present recruitment process, possessing degree in automobile/mechanical engineering, if has/have already undergone to the diploma course and had acquired qualification of diploma in automobile/mechanical engineering, as per the prescribed norms of qualification in the advertisement dated 24.11.2021, shall be considered on merits. No costs."

Facts:-

2. The facts of the case are that an Advertisement was issued on 24.11.2021 by the Rajasthan Staff Selection Board (hereinafter referred to as 'RSSB') inviting applications for appointment on the post of Motor Vehicle Sub-Inspector. An office order was issued thereafter on 15.12.2021 by the RSSB enabling the candidates

possessing higher qualification than the requisite qualification to apply and to be treated as eligible to participate in the selection process. So far as the Motor Vehicle Sub-Inspector post is concerned, the same is to be filed in terms of the Schedule appended to the Rajasthan Transport Subordinate Service Rules, 1963 (hereinafter referred to as 'the Rules of 1963') which provides as under:-

SCHEDULE

Name of Post	Source of Recruitment with percentage	Qualification for direct recruitment	Post from which appointment by promotion is to be made	Minimum experience and qualification required for promotion
1	2	3	4	5
Motor Vehicle Inspector	100% by promotion		Motor Vehicle Sub-Inspector	5 Years experience on the post of mentioned in Column No.4
Motor Vehicle Sub-Inspector	25% by promotion 75% by direct recruitment Deleted 100% by direct recruitment	1. Must have passed Secondary examination of a recognized board; 2. A diploma in automobile Engineering (3 year's course) or a diploma in Mechanical Engineering awarded by the State Board of Technical Examination (3 years course) Or Any qualification in either of the above disciplines declared equivalent by the Central	Lover Division Clerks of Transport Department Deleted	Confirmed LDC possessing diploma or certificate in automobile Engg. Recognized by the Govt. of Rajasthan Or Who have passed a departmental examination in automobile Engineering prescribed by the Transport Department or the Government of Rajasthan Deleted

		Government or State Government and.....		
<i>Note- It is indicated in the letter of DOP dated 30.08.2022 that the Rules of 1963 have been amended vide notification dated 08.03.2018 and after amendment, the direct recruitment on the post of Motor Vehicle Sub Inspector is 100%, instead of 75%. Thus consequently, columns No.2, 4 & 5 have been accordingly amended/deleted.</i>				

3. Thus, a candidate as per Clause 7, of the Advertisement which was similar to the aforesaid Schedule, was required to possess Class 10th qualification and three years Diploma in Mechanical Engineering/ Automobile Engineering Course from Government of India or State Government or any qualification either of the above disciplines declared equivalent by the Central Government or State Government. The candidate was further required to have one year experience in reputed Automobile Workshop for petrol and diesel engine of Light/ Heavy Vehicle and repairing. He was further required to possess a Driving License of Motorcycle, Heavy Vehicle License and Passenger Vehicle License as issued from competent authority. The level of examination was mentioned to be that of Secondary/ Technical Diploma.
4. The writ petitioners filed a writ petition challenging the order dated 15.12.2021 issued by the RSSB, whereby, it allowed candidates having higher academic qualifications than the three year mechanical engineering/ automobile engineering diploma to participate in the selection. During the pendency of writ petition, the result was declared.
5. The Department of Personnel (hereinafter referred to as 'DOP') gave its opinion that persons possessing higher qualification are eligible for recruitment on the post of Motor Vehicle Sub-Inspector. Vide order dated 03.08.2022, the same

was therefore, also challenged by the writ petitioners by amending the writ petitions.

6. The appellants who had participated in the selection process and cleared the examination were impleaded as respondent Nos.3 to 8 in one of the Writ Petitions bearing No.382/2022 and a reply was filed by them supporting the stand taken by the RSSB as well as by the State.

7. The State Government filed its reply to the writ petition and the writ petition was objected on the ground of maintainability stating that once the writ petitioners had participated in the selection process, they could not have challenged the selection as well as the conditions laid down by the RSSB regarding eligibility. In support of their decision for allowing candidates having higher qualifications, the State in its reply submitted that the corrigendum of educational qualification allowing higher qualification like B.Tech, M.Tech as eligible qualification for applying for the post was in consonance with the provisions of the Motor Vehicles Act, 1988 (hereinafter 'the Act of 1988') and the RSSB had sought guidance from the Department of Higher Qualification.

8. It was further submitted that earlier in the examination of Motor Vehicle held in 2013 by the Rajasthan Public Service Commission (hereinafter referred to as 'RPSC'), guidance was sought from the Department of Higher Qualification. On 04.09.2015 it was stated that a higher qualification than three year diploma may be considered as sufficient for fulfilling the eligibility criteria. It was also stated that even prior to the Advertisement of 24.11.2021, candidates having higher

qualification of degree in Automobile Engineering or Mechanical Engineering, were allowed to participate in the selections.

9. It was further submitted that while there can be a minimum qualification laid down under the Rules, as candidates having higher qualification cannot be deprived from participation and would be therefore eligible to apply.

10. Section 213(1) of the Act of 1988 empowers the State Government to create a Transport Department and appoint Officers, as it thinks fit, as Transport Officers. The State Government may accept the qualifications or prescribed higher qualifications while framing Rules under the proviso to Article 309 of the Constitution and regarding such existing power, it cannot be said that the corrigendum issued to the Advertisement was unjustified. They have also relied on the judgment passed in the case of **S. Satyapal Reddy And Others vs Govt. Of A.P. And Others**¹ wherein the Apex Court held that the State Government has the power to prescribe qualifications higher than that laid down by the Central Government.

11. It was further submitted that the degree in Mechanical/ Automobile Engineering is a higher qualification as compared to a three year Diploma in Mechanical and Automobile Engineering and would, therefore, be eligible to participate in the selection process. The learned Single Judge, however, rejected the argument advanced before it. Hence, the present appeals.

Submissions Of The Parties:-

12. Learned Senior Counsel for the appellants, along with their assisting counsels, made the following submissions:-

¹ (1994) 4 SCC 391

12.1. The Single Bench while deciding the first issue has seriously erred in holding that the ratio of the judgment of the Hon'ble Supreme Court in the case of **S. Satyapal Reddy** (supra) would have been applicable in the present case only, if the State Government itself has prescribed the qualification of Degree in Automobile / Mechanical Engineering, as higher qualification and eligibility alongwith diploma in Automobile, Mechanical Engineering, either in the advertisement dated 24.11.2021 itself while initiating recruitment process, or in the statutory rules by way of passing separate notifications. In this reference, it is stated that the learned Single Judge has failed to consider that the State Government, in the past recruitments, also for the post of Motor Vehicle Sub Inspector which were conducted through the RPSC has informed to treat a higher qualified person as eligible. Thus, when such has been the past practice under the same Rules for the same post to treat higher qualified persons like degree holders in the same faculty Automobile/ Mechanical Engineering as eligible, it was not required for the State Government to pass any fresh or separate order for the recruitment of 2021 also.

12.2 The learned Single Judge while deciding the first issue has seriously erred in holding that the stand of the State Government to treat degree holders in Automobile/ Mechanical Engineering as eligible (being higher qualified) cannot be relied upon, because during the course of writ petition the DOP has issued a letter dated 30.08.2022 and Equivalence Committee has given its report dated 14.10.2021 in compliance with directions of this Court vide order dated 20.09.2022. When the Commission by virtue of the letter dated 04.09.2015 issued by the Department of Transport

has treated degree holders as eligible for recruitment on the post of Motor Vehicle Sub Inspector, the Board has only followed the same process by issuance of office order dated 15.12.2021. In these circumstances, when by way of a writ petition, a challenge was made to the eligibility granted to degree holders for the post of Motor Vehicle Sub Inspector being against the qualification prescribed under Rule 11 read with Schedule I of the Rules of 1963. This Court by way of its order dated 03.08.2022, invoking Rule 36 of the Rules of 1963 sought opinion from the DOP to this effect. The aforesaid letter of the DOP dated 30.08.2022, therefore, provides interpretation to the qualification prescribed for the post of Motor Vehicle Sub Inspector under the Rules of 1963 which also allow higher qualified persons as eligible, the same was also the past practice in respect to the recruitment of Motor Vehicle Sub Inspector as was reflected in the letter dated 04.09.2015 issued by the Department of Transport.

12.3 The learned Single Judge while deciding the first issue, has also committed an illegality in mis-applying the ratio of the judgment of the Hon'ble Supreme Court in the case of **Jyoti K.K. And Others vs Kerala Public Service Commission And Others**², wherein, the controversy before the Hon'ble Supreme Court was whether the persons holding Degree in electrical engineering can be treated as eligible for holding the higher qualification. To answer the aforesaid question, the Hon'ble Supreme Court had held that whenever a person acquired higher qualification in the same faculty, such qualification can certainly stated to presuppose the acquisition of the lower qualification

² (2010) 15 SCC 596

prescribed for the post. Therefore, the case of **Jyoti K.K.** (supra) was applicable in the present case, however, in the case of **S. Satyapal Reddy** (supra) the Hon'ble Supreme Court had already held that graduation in mechanical engineering is one of the higher qualification than diploma in Mechanical Engineering. Even in the case of **Jyoti K.K.** (supra) itself, the Hon'ble Supreme Court has held that a degree in electrical engineering has to be treated as a higher qualification than Diploma in Electrical Engineering. Thus, the gist of the aforesaid judgments in the case of **S. Satyapal Reddy** (supra) and **Jyoti K.K.** (supra) makes it crystal clear that a degree in engineering is a higher qualification than diploma in engineering when such degree in engineering is in the same faculty as it presupposes acquisition of the lower qualification.

12.4 The learned Single Judge has seriously erred in not relying upon the judgment of the Hon'ble Supreme Court in **Parvaiz Ahmad Parry vs State of Jammu And Kashmir And Others**³, it is stated that there is no dispute that diploma in engineering and B.Tech in Engineering are two different courses. The dispute is whether the degree holders in the same faculty of engineering can be treated eligible on the ground of presupposing the acquisition of lower qualification of diploma in engineering under the same faculty. The Hon'ble Supreme Court in the case of **S. Satyapal Reddy** (supra) while dealing with the case of Motor Vehicle Sub Inspector with the qualification of degree in mechanical engineering and where the qualification prescribed was diploma in Mechanical Engineering and in the case of **Jyoti K.K.** (supra) for

3 (2015) 17 SCC 709

recruitment on the post of Sub Engineering Electrical while dealing with the case of degree holders in electrical engineering where the qualification prescribed was diploma in electrical engineering, has already held that degrees shall be treated to be a higher qualification than diploma for being in the same faculty.

12.5 The learned Single Judge has seriously erred in holding that judgment of the High Court of Jammu and Kashmir in the case of **S. Gurmeet Singh And Others vs State And Others**.⁴ was not covering the facts of the present case and judgment was given in the peculiar facts of that case alone even when the High Court of Jammu & Kashmir was dealing with same controversy for the post of Motor Vehicle Sub Inspector in respect to the eligibility to the degree holders in Automobile/ Mechanical Engineering when the advertisement prescribed qualification only of diploma in Automobile/ Mechanical Engineering as eligibility. Hence, the impugned judgment dated 22.02.2023 passed by learned Single Judge deserves to be quashed and set aside.

12.6 The learned Single Judge has seriously erred in not relying upon judgment of the Apex Court in the case of **Puneet Sharma And Others vs Himachal Pradesh State Electricity Board Limited And Another**⁵, even when in the aforesaid judgment candidates possessing degree in the same faculty were held to be eligible.

12.7 The learned Single Judge has seriously erred in relying upon judgments of the Full Bench of Allahabad High Court in the case of **Deepak Singh vs State of U.P.**⁶ and **Abhishek Sharma And**

4 (2008) 1 JKJ 68

5 2021 SCC Online SC 291

6 2019 SCC Online All 4471

Others vs State of U.P. And Others⁷ wherein the Court has relied upon the case of **Zahoor Ahmad Rather And Others vs Sheikh Imtiyaz Ahmad And Others**⁸ for the reason that like in the State of Allahabad, in the State of Jammu & Kashmir also in the case of **Zahoor Ahmad Rather** (supra), it was held that it is the employers right to adjudge the eligibility. Thus, the ratio of the judgment in the case of **Zahoor Ahmad Rather** (supra) was that it is the State who has to decide the eligibility and the powers of judicial review cannot be exercised. When the aforesaid issue is applied in the present case, as the State has treated higher qualified persons as eligible, therefore, the case of **Deepak Singh** (supra) and **Abhishek Sharma** (supra) could not have been applied in the present matter.

12.8 The learned Single Judge while deciding the second issue has erred in holding that it would not be permissible for the Court to draw an inference that higher qualification necessarily presupposes the acquisition of another, albeit lower qualification and it is not part of the role or function of judicial review to expand upon the ambit of the prescribed qualification. It is pertinent to mention here that the appellants never pleaded before learned Single Judge to draw an inference that higher qualification presupposes the acquisition of another. On the contrary, the State Government in past recruitments (also for the post of Motor Vehicle Sub Inspector which were conducted through RPSC), has informed the RPSC to treat higher qualified person as eligible. Thus, when such has been the past practice under the

⁷ Judgment passed by the Allahabad High Court in Writ-A No.10266/2018, decision dated 27th April 2022

⁸ (2019) 2 SCC 404

same Rules for the same post to treat higher qualified persons like degree holders in the same faculty of Automobile/ Mechanical Engineering as eligible, it was not required to draw any inference.

12.9 The learned Single Judge while deciding the second issue has erred in not relying upon the expert committee report dated 14.10.2022. The learned Single Judge has not appreciated the fact that the learned Single Judge considering the submissions made by learned counsel for the petitioners directed the Secretary, DOP to place the matter before the Equivalence Committee to be constituted in pursuance to the circulars dated 18.10.2021 with regard to eligibility of candidates who are having degree of Mechanical/ Automobile Engineering for appointment on the post of Motor Vehicle Sub Inspector. The Equivalence Committee submitted its report to the effect that candidates possessing degree in Automobile/ Mechanical engineering are eligible for the post of Motor Vehicle Sub Inspector.

12.10 The learned Single Judge while deciding the second issue has erred in holding that the ratio of judgment in the case of **Zahoor Ahmad Rather** (supra) stands in favour of diploma holders as in DOP letter dated 30.08.2022 as well as in report dated 14.10.2022 submitted by the Equivalence Committee, there is no finding to the effect that a degree in automobile/ mechanical engineering necessarily presupposes the acquisition of the qualification of diploma in the same discipline and there is no finding that degree should be treated as equivalent to the diploma in the discipline of automobile / mechanical engineering. The ratio of the judgment in the case of **Zahoor Ahmad Rather** (supra) was that it is the State who has to decide the eligibility and the

powers of judicial review cannot be exercised and when the aforesaid issue is applied in the present case, the State has treated higher qualified persons holding the qualification of Degree in Automobile /Mechanical Engineering as eligible.

12.11 The learned Single Judge while deciding the second issue has erred in holding that the rules of the game cannot be changed midway in the selection process. Once it has started, the letter dated 30.08.2022 of DOP cannot be made applicable to the present process of recruitment of Motor Vehicle Sub Inspector. The aforesaid letter of the DOP dated 30.08.2022, therefore, provides interpretation regarding the qualification prescribed for the post of Motor Vehicle Sub Inspector under the Rules of 1963 which also allows higher qualified persons to be eligible which was also the past practice in respect to the recruitment of Motor Vehicle Sub Inspector as was reflected in the letter dated 04.09.2015 issued by the Department of Transport and thus, the learned Single Judge committed an error in holding that the rules of game have been changed after it has started.

12.12 The learned Single Judge while deciding the second issue has erred in holding that the ratio of **Ajith K. And Others vs Aneesh K.S. And Others**⁹, shall be applicable to the facts of the present case. The aforesaid case shall not be applicable as in the instant case there has been determination of equivalence by the Expert Committee formed by the learned Single Judge on the application moved by private respondents. Also, private respondents have not challenged the order dated 15.12.2021 on

9 (2019) 17 SCC 147

the ground that the candidates with higher qualification cannot be treated as eligible even on presupposing the lower qualification.

13. Learned Senior Counsel for the appellants, in support of their arguments, has placed reliance on the following judgments:-

- a) **Puneet Sharma And Others Etc** (supra)
- b) **Ajit K. and Others** (supra)
- c) **Jyoti K.K.** (supra)
- d) **Parvaiz Ahmad Parry** (supra)
- e) **Zahoor Ahmad Rather And Others** (supra)
- f) **S. Satyapal Reddy and Others** (supra)
- g) **Shri Chakrapani Das vs Sri Bhaskar Das And Others**¹⁰
- h) **Rajbir Singh And Others vs State of Punjab And Others**¹¹
- i) **Basanta Kumar Pait And Others vs The State of Assam And Others**¹²
- j) **Ramnik Singh And Another vs UT of Jammu and Kashmir And Others**¹³
- k) **Sri Pranab Majumder vs The State of Tripura And Others**¹⁴
- l) **Nidhi Sharma And Others vs State of Haryana And Others**¹⁵

14. Per contra, learned Senior Counsel for the respondents-writ petitioners, along with their assisting counsels, made the following submissions:-

14.1 The selection process for 197 posts of Motor Vehicle Sub-Inspector was initiated vide Advertisement dated 24.11.2021. The office order dated 15.12.2021 (issued by the RSSB), enabling the candidates possessing higher qualification than the requisite

¹⁰ Judgment passed by High Court of Tripura in WA No.03/2017 dated 10.03.2020

qualification, was challenged by the diploma holders (writ petitioners).

14.2 Rule 11 of the Rules of 1963 deals with academic and Technical qualification which does not postulate that candidates who do not have basic qualification would be eligible.

14.3 There is no provision in the Rules of 1963 to consider degree in Automobile/ Mechanical Engineer as presupposing lower qualification. It is stated that the State Government has not chosen to amend the Rules of 1963 which have been framed in exercise of powers conferred by proviso to Article 309 of the Constitution of India and no amendment could have been prescribed by an administrative order which runs contrary to the statutory rules.

14.4 The Rules do not postulate the qualification as minimum qualification and therefore, the qualification prescribed under the schedule is the only qualification and no other qualification can be construed higher or equivalent contrary to the rules. Therefore, the order dated 15.12.2021 basically changed the rules of game.

14.5 The RSSB, being nodal agency to conduct the examination, could not have altered the qualifications on its own as prescribed by the statutory rules. Thus, the impugned order dated 15.12.2021 was beyond the competency and authority of the RSSB.

14.6 The inter-departmental communication in the previous recruitment cannot be construed as equivalence of qualification, as mandated under the Rules, as the Transport Department was not competent to declare any qualification as higher or equivalent.

15. Learned Senior Counsel for the respondents in support of their arguments has placed reliance on the following judgments:-

- a) **Zahoor Ahmad Rather And Others vs Sheikh Imtiyaz Ahmad And Others** (supra)
- b) **Prakash Chand Meena And Others vs State of Rajasthan And Others**¹⁶
- c) **State of Punjab And Others vs Anita And Others**¹⁷

37 (2023) 18 SCC 339

16. Learned counsel for the respondents-writ petitioners Mr. M.F. Baig has submitted that during the pendency of the writ petition, the learned Single Judge passed an order relying on Rule 36 of the Rules of 1963 and referred the matter to the DOP seeking their opinion as to whether persons having higher educational qualification, i.e., Degree in Mechanical Engineering are eligible to apply for the post of Motor Vehicle Sub-Inspector under the Rules of 1963. In compliance of the order dated 03.08.2022, the DOP gave its opinion to the RSSB vide their communication dated 30.08.2022 with regard to the persons having Degree of Mechanical Engineering and Automobile Engineering to be eligible and the learned counsel for the writ petitioner submitted that such an opinion given by the DOP could not be taken into consideration as the correct opinion and a circular had been issued by the State Government on 18.10.2021 to the effect that in case of any dispute regarding educational qualification, it would be the Committee which would decide the matter, whereas, only the Joint Secretary had given their opinion. The learned Single Judge, therefore, directed to place the matter before the Equivalence Committee constituted in pursuance of circular dated 18.10.2021.

17. Learned counsel has further submitted that the Experts/ Equivalence Committee gave its opinion on 14.10.2022, stating that it was neither rational nor justified to exclude the candidates holding a higher qualification than the diploma holders in the same discipline as ineligible (holding the qualification of degree in the subject of Mechanical Engineering and Automobile Engineering to be a higher qualification). The DOP also directed that such

candidate possessing the qualification shall be treated to be higher qualification and candidates possessing such qualification would be eligible to participate. He further pointed out that subsequently, even an amendment has been made and now candidates having higher qualification are also treated as eligible under the Rules.

18. It was also further pointed out that even in the previous recruitment examination of Motor Vehicle Sub Inspector, directions were issued allowing the candidates, who possess higher educational qualification than the prescribed educational qualifications, to be treated as eligible and therefore, there was no reason to depart from the settled principles.

19. Learned counsel Mr. M.F. Baig, therefore, supports the judgment passed by the learned Single Judge and reiterates his submissions made before the learned Single Judge in support of the prayer made of excluding the degree holders.

20. Learned counsel Mr. M.F. Baig also adopts the arguments as raised by learned Senior Counsel Mr. Ajeet Kumar Sharma.

21. Learned counsel Mr. Sunil Samdaria has also supported the judgment passed by the learned Single Judge.

22. The other counsels have also supported the judgment passed by the learned Single Judge and pointed out that even the report of the Expert Committee whereby the directions were issued, did not hold the qualification of degree in Automobile Engineering and Mechanical Engineering to be equivalent to diploma and merely directed that since it was a higher qualification, the same can be considered.

23. We have considered the submissions and carefully gone through the judgment passed by the learned Single Judge and also the judgments which have been cited at Bar.

24. Before we examine the merits of the case, it would be apposite to discuss in short the import of the judgments cited at Bar by both the learned counsels for the parties.

25. In the case of **Jyoti K.K.** (supra), the appellants-therein were holders of B. Tech degree in Electrical Engineering, who were held to be ineligible for selection on the post of Sub-Engineers (Electrical) which provided the technical qualification of Diploma in Electrical Engineering of a recognized Institution after 3 years' course of study or a certificate in Electrical Engineering from any one of the recognized Technical Schools. The contention was that since they possess higher qualification, therefore, their non-consideration was not correct.

The Supreme Court further noticed that the rules governing the appointment also provided under Rule 10(a)(ii), a non-obstante clause which states that "*notwithstanding anything contained in the rules such of those higher qualifications which presuppose the acquisition of the lower qualification prescribed for the post shall also be sufficient for the post.*"

The Supreme Court also noticed that for the promotional post of Assistant Engineer, a degree in Electrical Engineering has been prescribed and therefore, it proceeded to hold that for a higher post as the qualification of degree is provided, it would be pre-supposing that the acquisition of lower qualification of diploma in that subject prescribed for the post should be sufficient.

26. In the case of **Zahoor Ahmad Rather** (supra), the post of Technician Grade-III was in question and qualification prescribed was Matriculation with the ITI in Electrical Grade. The appellants therein were diploma holders in Electrical Engineering/ Electronics and Communication but did not possess ITI certification. The Apex Court held as under:-

"**26.** We are in respectful agreement with the interpretation which has been placed on the judgment in *Jyoti K.K.* in the subsequent decision in *Anita*. The decision in *Jyoti K.K.* turned on the provisions of Rule 10(a)(ii). Absent such a rule, it would not be permissible to draw an inference that a higher qualification necessarily presupposes the acquisition of another, albeit lower, qualification. The prescription of qualifications for a post is a matter of recruitment policy. The State as the employer is entitled to prescribe the qualifications as a condition of eligibility. It is no part of the role or function of judicial review to expand upon the ambit of the prescribed qualifications. Similarly, equivalence of a qualification is not a matter which can be determined in exercise of the power of judicial review. Whether a particular qualification should or should not be regarded as equivalent is a matter for the State, as the recruiting authority, to determine. The decision in *Jyoti K.K.* turned on a specific statutory rule under which the holding of a higher qualification could presuppose the acquisition of a lower qualification. The absence of such a rule in the present case makes a crucial difference to the ultimate outcome. In this view of the matter, the Division Bench of the High Court was justified in reversing the judgment of the learned Single Judge and in coming to the conclusion that the appellants did not meet the prescribed qualifications. We find no error in the decision of the Division Bench.

27. While prescribing the qualifications for a post, the State, as employer, may legitimately bear in mind several features including the nature of the job, the aptitudes requisite for the efficient discharge of duties, the functionality of a qualification and the content

of the course of studies which leads up to the acquisition of a qualification. The State is entrusted with the authority to assess the needs of its public services. Exigencies of administration, it is trite law, fall within the domain of administrative decision-making. The State as a public employer may well take into account social perspectives that require the creation of job opportunities across the societal structure. All these are essentially matters of policy. Judicial review must tread warily. That is why the decision in *Jyoti K.K.* must be understood in the context of a specific statutory rule under which the holding of a higher qualification which presupposes the acquisition of a lower qualification was considered to be sufficient for the post. It was in the context of specific rule that the decision in *Jyoti K.K.* turned."

27. We notice that the case of **Jyoti K.K.** (supra) was also distinguished by the Apex Court in the case of **Anita** (supra). In that case [**Anita** (supra)], the qualification for J.B.T. Teacher required a Matric with two years course in J.B.T. Training with knowledge of Punjabi and Hindi language at matriculation standard or its equivalent. The respondents-therein had held qualification of M.A/ M.Sc. and aiming it to be a higher qualification, sought participation and eligibility for the post of J.B.T. Teacher. However, the Hon'ble Supreme Court disallowed such participation and distinguished **Jyoti K.K.** (supra), noticing the existence of Rule 10(a)(ii) in the Kerala State and Subordinate Services Rules, 1956, which was absent in **Anita's** Case (supra). It would be apposite to quote the relevant para 15 of the judgment passed in the case of **Anita** (supra) as under:-

"**15.** It was sought to be asserted on the basis of the aforesaid observations, that since the private respondents possess higher qualifications, then the qualification of JBT/ETT,

they should be treated as having fulfilled the qualification stipulated for the posts of JBT/ETT Teachers. It is not possible for us to accept the aforesaid submission of the learned counsel for the private respondents, because the statutory rules which were taken into consideration by this Court while recording the aforesaid observations in *Jyoti K.K.* case, permitted the aforesaid course. The statutory rule, in the decision relied on by the learned counsel for the private respondents, is extracted hereunder: (SCC p.598, para 6)

"6. Rule 10(a)(ii) reads as follows:

'10.(a)(ii) Notwithstanding anything contained in these Rules or in the Special Rules, the qualifications recognised by executive orders or Standing Orders of Government as equivalent to a qualification specified for a post in the Special Rules and *such of those higher qualifications which presuppose the acquisition of the lower qualification prescribed for the post shall also be sufficient for the post*.' " (emphasis supplied)

A perusal of the Rule clearly reveals that the possession of higher qualification would presuppose the acquisition of the lower qualification prescribed for the posts. Insofar as the present controversy is concerned, there is no similar statutory provision authorising the appointment of persons with higher qualifications."

28. A recent judgment in the case of **Puneet Sharma** (supra), the Apex Court was considering the qualification required for appointment and the question as to whether a degree in Electrical Engineering/Electrical and Electronics Engineering is technically a *higher* qualification than a diploma in that discipline and whether degree holders are eligible for appointment to the post of Junior Engineer (Electrical). In the said case, a rule which was mentioned in the Schedule as "*Minimum educational and other qualifications required to direct recruits*" and it was stated that the essential

qualification is minimum matriculation with diploma in Electrical/ Electronics and Communication/ Computer Sciences. Considering the word 'minimum' the Court proceeded to hold that a higher qualification would also be sufficient. By reading the Rule as a whole, it proceeded to hold as under:-

"33. This Court is conscious that the issue in question is whether the minimum qualification of a diploma in electrical or electronic engineering or other prescribed qualifications includes a degree in that discipline. However, the rules have to be considered as a whole. So viewed, the two sub-quotas are:

- (1) 5% enabling those diploma-holders who acquire degree qualifications during service as Junior Engineers; and
- (2) 5% enabling among those who hold degrees before joining as Junior Engineers.

34. The latter (2) conclusively establishes that what the rule-making authority undoubtedly had in mind was that degree-holders too could compete for the position of JEs as individuals holding equivalent or higher qualifications. *If such interpretation were not given, there would be no meaning in the 5% sub-quota set apart for those who were degree-holders before joining as Junior Engineers — in terms of the recruitment rules as existing.*

35. The court's opinion is fortified by the latest amendment brought about on 3-6-2020. This clarifies beyond doubt that even for the post of Junior Engineers, those individuals holding higher qualifications are eligible to compete. In the opinion of this Court, though the amending rules were brought into force prospectively, nevertheless, being clarificatory, they apply to the recruitment that is the subject-matter of the present controversy. Such a position (i.e. clarificatory amendments operative retroactively, despite their enforcement prospectively) has been held in several previous judgments of this Court. In *Zile Singh v. State of Haryana* this Court examined the various authorities on statutory interpretation and concluded:(SCC pp. 8-9, paras 13-14)

"13. It is a cardinal principle of construction that every statute is prima facie

prospective unless it is expressly or by necessary implication made to have a retrospective operation. But the rule in general is applicable where the object of the statute is to affect vested rights or to impose new burdens or to impair existing obligations. Unless there are words in the statute sufficient to show the intention of the legislature to affect existing rights, it is deemed to be prospective only—'nova constitutio futuris formam imponere debet non praeteritis'—a new law ought to regulate what is to follow, not the past. (See Principles of Statutory Interpretation by Justice G.P. Singh, 9th Edn., 2004 at p. 438.) It is not necessary that an express provision be made to make a statute retrospective and the presumption against retrospectivity may be rebutted by necessary implication especially in a case where the new law is made to cure an acknowledged evil for the benefit of the community as a whole (ibid., p. 440).

14. The presumption against retrospective operation is not applicable to declaratory statutes.... In determining, therefore, the nature of the Act, regard must be had to the substance rather than to the form. If a new Act is "to explain" an earlier Act, it would be without object unless construed retrospectively. An explanatory Act is generally passed to supply an obvious omission or to clear up doubts as to the meaning of the previous Act. It is well-settled that if a statute is curative or merely declaratory of the previous law retrospective operation is generally intended.... An amending Act may be purely declaratory to clear a meaning of a provision of the principal Act which was already implicit. A clarificatory amendment of this nature will have retrospective effect (ibid., pp. 468-69)."

29. It is settled law that the State as an employer is entitled to prescribe the qualification required to be held by any person for appointment on any post. The said qualification would be

incorporated in the rules framed under the proviso to Article 309 of the Constitution of India.

30. Having considered the aforesaid and detailed discussions in the judgment passed by the learned Single Judge, we find that the schedule as noticed above reflects a completely different picture. For the post of Motor Vehicle Sub-Inspector, there is no word 'minimum qualification' mentioned, as specific qualification of Diploma in Automobile Engineering or a Diploma in Mechanical Engineering has been stated. Any qualification in either of the above disciplines declared equivalent by the Central Government or the State Government has also been treated as eligible. Thus, consciously the Rule making authority did not add the words 'higher qualification' nor it added 'degree holders' for the post.

31. The Equivalence Committee also consciously did not equate diploma with degree. Thus, what the appellants want this Court to do, is to add a qualification in the Schedule, which is absent. It is a settled principle of law that the rules have to be given the meaning for which they have been framed. So far as the higher qualification part is concerned, while we agree that the degree in the Automobile Engineering may be a higher qualification, but if the post is meant for those who are doing diploma, essentially what we find is that the legislature intended to give a source of employment to those who have done diploma alone and not to those who have done degree in a subject. As held in **Zahoor Ahmad Rather's** Case (supra), we would refrain from adding something more than what the Rule making Authority intended nor we can expand the canvass of qualification.

32. While exercising the writ jurisdiction, the judgment passed by the learned Single Judge, therefore, does not warrant any interference.

33. Although, the State Government may have later on amended the rule, the same would be made effective from the date of coming into force of the amendment and does not apply to an advertisement which has already been issued. It is settled law that the rules of game cannot be allowed to be changed after the game has already started. Reference in this regard is made to the decision of the Apex Court in the case of **Tej Prakash Pathak And Others vs Rajasthan High Court And Others**³⁸.

34. In view of the above discussion, the appeals are dismissed.

35. The interim order stands vacated. The respondent-State shall now proceed with the selection and the same shall be concluded forthwith.

36. All pending applications stand disposed of accordingly.

37. A copy of this judgment be placed in each connected matter.

(BIPIN GUPTA),J
