Order

07/03/2026

Petitioners appeared in person and submitted that in the recruitment process initiated by the respondents for the post of Teacher Grade-III, although they were selected and secured sufficient marks, yet appointment order was not issued in their favour only on the ground that they allegedly did not appear before the competent authority for document verification.

Petitioners appearing in person indicated that both of them had appeared twice for document verification and in support thereof, even the attendance documents have also been placed on record. Petitioners have also indicated that the respondents themselves have issued an order clarifying that the candidates,

who have already appeared for document verification, were not required to re-appear in document verification. They have submitted that the persons who have secured lesser marks than the petitioners were appointed, however, for no fault of the petitioners, they have been deprived of their right of appointment.

Mr. Anant Kumar Tambi appeared on behalf of the Department and submitted that he has no authority to argue the writ petition on behalf of the Department, as the officer in-charge appointed in the case is not present today.

Let these matters be listed on 10.03.2026 for arguments on behalf of the respondents.
