Order

22/05/2026

1. The matter comes upon an application No. 01/2026, seeking permission to dispense with the defect as pointed out by the Registry regarding the maintainability of the writ petition.
2. Heard.
3. This Court is of the considered view that it is not within the purview of the Registry to raise defects regarding the maintainability of the writ petition as it is for the Court to decide whether a revision or writ petition is maintainable under Order 7 Rule 11 CPC. Hence, for the time being defect No. 1 as pointed out by the Registry is overruled.
4. Accordingly, application No. 01/2026 stands disposed of.
5. With regard to the other defects as pointed out by the Registry, if the same have been cured, then the matter may be listed for admission and if not, then two weeks' time is granted to cure the defects.
