Order

08/12/2022

During the course of argument, learned Counsel for the State pointed out that in both these cases, Collector (Stamp) who passed the impugned order which is under challenge has not been impleaded as party.

As the order under challenge in the writ petition has been passed by Collector (Stamp), Collector (Stamp) is a necessary party.

Before dismissing these petitions as suffering from *non-joinder* of necessary party, we give the petitioner one opportunity

to implead Collector (Stamp) as party within a period of one week.

List these petitions immediately after one week and same be detached from bunch of other writ petitions.

As the necessary party is not impleaded in these petitions, interim order cannot be continued and, therefore, the same is discontinued.
