Order

06/05/2026

The matter comes up on an Application No.1/2026 filed by the applicant-petitioners seeking reconstitution of the file of S.B. Criminal Miscellaneous Petition No. 2212/2026, titled as Majeed & Anr. Versus State of Rajasthan & Anr., as the file of the said petition is not traceable in the Registry.

While it is quite disturbing to note that the file is not traceable in the Registry, however, on account of the original file not being traceable, consideration of the petition cannot be deferred beyond a point.

Accordingly, the present application No.1/2026 seeking reconstitution of the file is allowed and the photocopy of the petition along with all the documents as submitted along with the application be considered and taken on record for the purpose of reconstitution of the file of S.B. Criminal Miscellaneous (Petition) No.2212/2026, titled as Majeed & Anr. Versus State of Rajasthan & Anr.

Also, search for the original file of the present matter be continued by making all possible efforts for tracing the same and in the event of same being found, it be tagged along with the reconstituted file.

Further at this juncture, it is observed that as the documents filed along with every petition before the Court are extremely precious, significant and also original at times, let a data with respect to the files which are not traceable and in respect of which search slip has been issued by the Registry be collated and the said list be circulated amongst all the concerned authorities for their record and further action in that regard.

Office is directed to place this order before the Registrar (Judicial).
