Learned counsel appearing for the State Government (Technical Education Department) seeks time to file additional affidavit in order to explain the occasion for writing the letter dated 31.01.2018 (annex.-AA/11), which required RPSC to complete the recruitment process after including the reservation for SBC/MBC at the rate of 1%, more particularly when on account of deletion of provision with regard to reservation for SBC Category, the RPSC had already issued corrigendum, deleting the vacancies meant for SBC.

Let the matter be listed after two weeks.

In the meanwhile, additional affidavit shall be filed by the State Government.
