As per the reply filed to the writ petitions on behalf of the State-respondents no.2 to 5, in the preliminary survey of Government school buildings, 5667 buildings and 86934 rooms were found to be completely dilapidated, 158647 rooms with slab ceilings and 51026 rooms with RCC were found to be worth major repair. However, as per the road map furnished by the State Government pursuant to the direction of this Court, a proposal for major repair work and construction of new school buildings has been made only for a fraction of the aforesaid school buildings/rooms rendered completely dilapidated/subject to major repair.

In view thereof, we direct the respondent no.3 to file an affidavit giving a complete road map for repair/major repair/construction of new rooms/school buildings as per the final survey report. The affidavit shall also verify that the repair work/major repair work and construction of new school buildings is being done strictly in accordance with the provisions of "School Safety Policy" as prescribed by the Hon'ble Supreme Court of India vide judgement dated 14.08.2017 passed in the case of Avinash Mehrotra vs. Union of India and Ors: Writ Petition(s) (Civil) No(s).483/2004, other precedential law as also as per norms laid down under the Right of Children to Free and Compulsory Education Act, 2009 and by the National Commission for Protection of Child Rights.

List the matters on 24.11.2025 as prayed.
