Order

10/01/2023

Learned counsel for the respondents has not opposed the adjournment request made by the counsel for the petitioners on account of personal reasons. However, he has submitted that the present *lis* in question is not maintainable as the application under Section 9 of the Arbitration and Conciliation Act, 1996 was dismissed by the learned Court below.

Thereafter, the petitioner chose to file a civil suit wherein indulgence was granted and consequently, a revision petition was filed, which was passed in favour of the respondents. Pursuant to the said order passed in revision, a SLP was preferred and the

same was dismissed. Therefore, on this ground, the present writ petition is not maintainable.

Let the matter be listed for final disposal in the second week of February, 2023.
