Learned counsel for the petitioners has submitted that the respondents have not complied with the directions given by this Court on 23.03.2021 whereby, they were directed to decide the representation filed by the petitioners within a period of two months from removal of encroachments from the public land.

Reply to the contempt petition is filed on behalf of the respondents wherein, it is mentioned that the Public Land Protection Cell (PLPC) of District Bharatpur has considered the representation filed on behalf of the petitioners for removal of encroachments from the public land and has decided the same on 16.05.2022 with a direction to certain officials to furnish the report and thereafter to act in accordance with law.

We have perused the proceedings of the PLPC dated 16.05.2022 annexed with the reply of the respondents wherein, it is mentioned that after receiving report from the concerned

officials, further proceedings will be initiated for removal of the encroachment.

After passing of the order dated 16.05.2022, almost more than a year has been passed, but no further compliance report is filed on behalf of the State.

Learned AAG seeks some time to file further compliance report.

Time prayed for is granted.

List on 28.08.2023.
