Order

30/06/2022

Issue notice to the respondents on payment of P.F. within one week.

Notices are made returnable within two weeks.

List this case on 29.07.2022.

Heard on prayer for stay.

Taking into consideration the submission of learned Senior Counsel for the petitioner that the action of the respondents in withdrawing the policy of exemption from payment of electricity duty would not affect the petitioner insofar as entitlement to exemption from electricity duty is concerned as the petitioner had already proceeded to act on the promise reflected from the policy and commissioned its project prior coming into force of the new policy thereby altering his position to serious detriment, we direct that till the next date of hearing, no coercive steps shall be taken against the petitioner for recovery of demanded electricity duty under the impugned demand.
