Heard.

In this bunch of petitions, though, the cases are listed for final hearing, due to paucity of time, it is not possible to take up the matters for hearing today.

Learned counsel appearing for the petitioners would submit that under the interim orders passed by this court, the petitioners have been supplying electricity to respondent-Discum, but no payment has been made.

Learned Advocate General appearing for the State would submit that this will require seeking instructions in the matters with regard to any interim provision/provisional payment towards supply of electricity already made by the petitioners.

In some of the cases, it has been stated at the bar that, though, a settlement has been arrived at between the petitioners and the Discom and the Discom has also agreed subject to approval by RERC, but RERC has not granted approval only on the ground of pendency of petitions before this Court. This Court would require RERC to also make a statement before the Court in this regard on the next date of hearing.

Matters be listed on 12.05.2022.
