Order

12/07/2022

Taking into consideration the nature of hardship as projected before this Court that though the petitioners are injecting electricity since long, but no payments have been made and the petitioners are finding it difficult to stand in the market because of the financial crunch which they are facing on account of non-

payment towards supply which has already been made, we are inclined to list this case for final hearing on 06.09.2022. The parties would be at liberty to mention. It is made clear that no further adjournment would be granted to any of the parties.
