HON'BLE MR. JUSTICE ANAND SHARMA

Order

21/05/2026

Heard on application (IA No.1/2026) for seeking amendment in prayer clause of the writ petition.

Learned counsel for the petitioner submits that due to inadvertent error, the prayer sought to be incorporated by way of amendment, could not be made earlier, and the proposed amendment would not change the nature of the litigation.

In view of above, the application filed by the petitioner is allowed.

Amended writ petition is taken on record.

Let this matter be listed in the third week of July, 2026.

In the meanwhile, respondents may also file reply to the amended writ petition.
