Order

02/07/2025

Learned State Counsel draws attention of this Court to communication dated 10.05.2023 of the Tehsildar, Tijara. We have gone through the same. It contains certain information however, the contents of the communication are somewhat cryptic once juxtaposed with the reliefs sought in the writ petition. Tehsildar was supposed to submit a clear report with reference to the allegations made in the writ petition regarding encroachment on the catchment area between the two check-dams. Large number of khasra numbers which have been mentioned in the communication do not lead to any definite conclusion to proceed further in the case. Tehsildar is supposed to give a clear fact finding report based on the material collected by him and reflected in the communication dated 10.05.2023 as to whether

encroachment exists on the catchment area, as alleged by the petitioners.

Mr. GS Gill, learned Additional Advocate General would submit that the Tehsildar would be instructed to submit a clear and detailed report qua specific averments made in the writ petition with reference to the khasra numbers stated therein.

As prayed, list after four weeks.
