HON'BLE MR. JUSTICE ANUROOP SINGHI (V.J.)
Order

25/06/2026

- 1.** The present civil writ petition has been filed by the petitioner with the following prayers:-

"It is therefore, humble prayed that this writ petition may kindly be accepted and allow and call for and examine entire record of the case and;

a) By Appropriate writ, order or directions in the nature thereof this Hon'ble Court may kindly be directed to respondents to allow the students of petitioner's institutions in the remanded/supplementary examination of Ist year by making amendment in their attendance in

details of candidates college attendance (Ann.2), which will be going to conduct from 29.06.2026;

b) Any other order or direction which this Hon'ble court deems just and proper may also be passed in favour of the petitioner."

2. Mr. Suresh Kumar Dhenwal, learned counsel for the petitioner submits that the solitary grievance of the petitioner is disqualification of its as many as nine students on account of discrepancy in their attendance record. Learned counsel further submits that mentioning of the attendance of the students as "0" was on account of an inadvertent error and on account of the said bona fide error of the petitioner – Institute, its students should not be made to suffer.

3. Learned counsel further submits that considering the fact that the remanded/supplementary examination of Ist year Diploma students is scheduled to commence from 29.06.2026, the petitioner – Institute be granted liberty to approach respondent No.2 – Rajasthan Council, Jaipur (Rajasthan State Allied And Healthcare Council, Jaipur), along with the attendance record of all the said nine students and respondent No.2 may then verify the same and in the event of it being found that the students have attended the classes, they may be permitted to appear in the examination which is scheduled to commence from 29.06.2026.

4. Mr. Bharat Saini, learned counsel appearing for the respondents on being served the advance copy of the writ petition, submits that though the petitioner – Institute has no right to claim any relief from this Court once it itself has filled the requisite form by mentioning the attendance of the students as "0", it can not take a u-turn at this stage. Learned counsel further submits that

all the administrative exercise for conducting the examination which is scheduled to commence from 29.06.2026, has already been done and if any direction is issued now, it would disturb the entire administrative functioning. However, considering the equity and future of the students, learned counsel for the respondents submits that in case the petitioner – Institute approaches the respondent council along with attendance record of the students and if after detailed scrutiny of the same, it is found that mentioning of attendance of the students as “0” was a bona fide error, only then the respondent council would consider and permit those nine students to appear in the examination.

5. Taking note of the aforementioned submissions and obtained facts and without travelling into merits/demerits of the case, this Court is not inclined to issue any direction to the respondent council such as permitting the students of the petitioner – Institute to appear in the examination which is scheduled to commence from 29.06.2026 but the petitioner – Institute would be at liberty to approach the respondent council along with attendance record of its nine students and the respondent council would be at liberty to analyze and scrutinize the said attendance record as per the applicable laws and would be free to take a decision after considering the same.

6. With the aforesaid direction, the civil writ petition is disposed of.

7. Pending application(s), if any, also stand disposed of.

8. Needless to say, this order has been passed only in the context of analyzing and scrutinizing the said attendance record, which would be submitted by the petitioner – Institute and in no

manner is to be construed as any determination with respect to the merits/demerits of the case.
