**HON'BLE MR. JUSTICE PRAVEER BHATNAGAR****Order****17/02/2026**

1. The petitioners have claimed contempt against the respondents in pursuance of the order passed in S.B. Civil Writ Petition No.21/2020 and other connected matters, whereby, the respondents were directed to consider the petitioners' case afresh in the light of the observations made in the case of **The Director (Admn. and H.R.) KPTCC & Ors. Vs. C.P. Mundinamani & Ors.** reported in **2023 SCC OnLine SC 401** and **All India Judges Association Vs. Union of India Writ Petition Civil No.643/2015**.
2. It is contended by learned counsel for the petitioners that the order has not been complied with and arrears of payment have not been made.

3. Per contra, it is contended by learned counsel for the respondents that in pursuance of the order dated 21.07.2023, all the petitioners have been granted notional benefits after giving them extra increment and revised PPO has been issued, thus, the order has been complied with in its spirit. It is also contended that the extra increment has been given to the petitioners from the date of their retirement. There were no directions that all the petitioners will get the actual arrears, the only direction was to give the benefit of extra increment notionally in their last pension and the same be revised accordingly. The petitioners have already been given the notional benefits after computing the extra increment over their last drawn salary and the revised pension has been issued.

4. Heard and perused the material available on record.

5. All the petitioners have already been granted the benefit of extra increment as per the order of the Hon'ble Apex Court passed in the matter of **C.P. Mundinamani (supra)** and **All India Judges Association (supra)** and the revised pension of the petitioners has already been issued.

6. Therefore, no contempt is made out, accordingly, these contempt petitions are dismissed and rule is discharged.
