We have heard learned counsel for the parties in this matter.

This Court had directed earlier Ld. Additional Advocate General for placing on record earliest maps between year 1947-1955 where the reference of City Flood Control Drain (CFCD) has been made so as to superimpose current maps thereon to determine the status of the various applicants whether or not their land falls therein.

Learned Additional Advocate General would submit that he may be allowed one more opportunity to file a comprehensive affidavit with the necessary documents as directed by this Court, referred to hereinabove.
