Order

15/04/2025

Application (No.1/2025) is dismissed as withdrawn.

Application (No.4/2025) is disposed of being misconceived.

Prayer made therein would be subject matter of consideration at the time of final disposal of the petition.

This suo motu petition is pending consideration since 2019. On 21.11.2024, this Court while disposing of Civil Misc. Application No.60151/2018, directed the State to submit map superimposing the revenue map upon existing site of the water body. The same however has not been filed till date. It is stated that the direction was meant to be complied by the State (Department of Irrigation).

Since the order was passed long back and no compliance has been made till date, the Chief Engineer, Water Resources Department is directed to remain present before this Court on the next date of hearing along with required map as per order dated 21.11.2024. However, if the report is submitted three days before the next date of hearing, the personal presence of Chief Engineer would not be necessary.

Registry shall publish the name of Mr. BS Chhaba, AAG, who usually represents the Water Resources Department in the cause list as counsel for the respondent.

List on 13.05.2025.

A copy of this order be supplied to Mr. B.S. Chhaba, learned AAG and the concerned authority for information and necessary compliance.
