1. It is stated by learned counsel appearing for the State that the order passed by this Court dated 15.04.2025 needs to be recalled to the extent whereby, the direction has been issued to submit superimposed revenue map and it has also been observed that the order was passed long back and non-compliance has been made by the Chief Engineer.
2. He has invited our attention to the additional affidavit filed on behalf of the respondents on 15.09.2022 wherein in compliance of the directions issued, the Lattha Map of Sanvat 1986, which was prevailing in the year 1947 and 1955 till 1980 was taken into consideration to prepare a trace map. The said

trace map, copy of the Lattha Map and the superimposed map were placed on record, collectively as Annexure-AA/1.

3. Learned counsel submits that the order, therefore, may be suitably amended.

4. We have noticed that the additional affidavit is placed on record from page 217 with the documents up to 233.

5. In view of the above, we exempt the Chief Engineer, Water Resources Department to file a fresh superimposed map.

6. The order passed by us today and the order passed by the Court earlier on 15.04.2025 shall be considered together in future.

7. One of the learned counsel appearing for the newly impleaded respondents, however, has objection relating to the concerned map placed by the State. He may file his response with regard to the map on the next date.
